SUBJECT

This recommendation is for a five-year lease renewal of 75,235 square feet of office space and 376 parking spaces for the Department of Children and Family Services (DCFS).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This facility is the DCFS Pasadena Regional Office that provides comprehensive and direct child protection services. The primary goal of DCFS is to maintain the family unit, however, when this is not possible, the secondary goal is to reduce the timeline to permanency for children in their care and reliance on out-of-home care. The facility houses DCFS' Adoption units which are responsible for case management which involves assessing the child's adoptability in finalizing a child's adoption, DCFS' Revenue Enhancement units which provide support to the social workers by assisting in finding placements for children who must be assigned in out-of-home care and there are smaller units that are designed to enhance direct services to children and families which include, Family Group/Team Decision Making and the Department of Mental Health/Children's Services who provide mental health assessment for foster care children.

DCFS has recently realigned 60 staff which are being relocated from Metro North to Pasadena resulting in more efficient occupancy at this facility. Renewing the lease will provide continuity of services for DCFS and its clients at this location.

DCFS has occupied the subject facility since November 1999, and has been on a holdover at this site since November 20, 2009. The Lessor has extended the County's option to renew through February 2010.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we address Children, Family, and Adult Well-Being (Goal 2). In this case, we have enhanced economic and social outcomes through integrated, cost effective and client-centered supportive services in accordance with the Strategic Asset Management Principles, as further outlined in Attachment A.

FISCAL IMPACT/FINANCING

The maximum first year rental cost will be \$2,005,051 as defined in the option agreement, which states the option rate if exercised, is under the same terms, conditions, and rental rate as contained in the original lease agreement. The first year option rent is subject to annual Consumer Price Index (CPI) rental adjustments capped at 4 percent of the monthly base year rent.

Sufficient funding for the proposed lease renewal is included in the 2009-10 Rent Expense budget and will be billed back to DCFS. Sufficient funding is available in DCFS' operating budget to cover the proposed lease costs.

The first year maximum annual lease cost for DCFS is \$2,005,051 which is approximately 70.23 percent subvention funded and 29.77 percent net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Notice of intent to exercise this renewal option has been provided to the Lessor who has extended the time available for the County to exercise the renewal option. The lease renewal requires your Board to exercise the option and contains the following terms and conditions.

- The term commences upon Board approval and expires five years thereafter.
- The initial 10-year lease had no cancellation clause and the option, if exercised, is under the same terms and conditions with no cancellation during the five year term.
- The lease has never had a cancellation right. The right to cancel was waived to provide the landlord a fixed term that would allow for the financing and construction of the parking structure to meet the parking requirements of the department.
- The rent includes parking for 376 vehicles.

- The lease continues on a full service basis.
- The Landlord at his sole cost is painting the premises and installing carpeting tiles throughout the entire premises.
- The rent under the lease renewal will be subject to annual CPI increases capped at 4 percent of the monthly base year rent commencing upon Board adoption of the lease renewal.

The Chief Executive Office (CEO) Real Estate staff has not surveyed for alternative sites as DCFS has requested an extension of the lease by exercising its first five-year option. However, CEO Real Estate staff surveyed the County areas that could best service this program to determine the market rate of comparable sites. Based upon said survey, staff has established that the base rental range including parking for similar property is between \$26.85 and \$32 per square foot per year full service. Thus, the base annual rent of \$26.65 per square foot for the base lease cost is at the low end of market range. Attachment B shows County-owned and a leased facility within the search area for these programs and none is available to house these programs.

The Department of Public Works previously inspected this facility and concluded that it is suitable for County use.

Notification letters have been sent to the City of Pasadena pursuant to Government Code Sections 25321 and 65402.

ENVIRONMENTAL DOCUMENTATION

The CEO has concluded that this lease renewal project is exempt from California Environmental Quality Act (CEQA) pursuant to Class 1, of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no disruption of services as this is to exercise a lease renewal option. DCFS concurs with the proposed lease renewal.
